Would you rather be contacted by phone or e-mail?

When would be the best time to call you?

### Communication:

Our event information is available on our website, but we also send group e-mail via a Yahoo group to remind people of various events and to inform people of a need for volunteers. If you wish to receive electronic updates about our events you must be part of our yahoo group.

May we add your email to the Yahoo list?

If you prefer phone contact to electronic contact we are starting a phone tree.

When there is a special event or a need for volunteers, each person on the tree would be asked to contact one or two other people in a timely manner.

Are you interested in being part of this phone tree, both receiving and passing on information?

*(At this time, we cannot add people who merely want to receive calls. If you choose to be on the tree, you will also need to be responsible about calling one or two other people.)*

### All Year:

Would you like to help plan our activities, including next year's fair, by serving on a committee?

If yes, on which committee(s)?

*Someone from the committee will contact you to invite you to the next meeting.*

If yes, what kind of costume is it?

If no, will you have a costume by next year's festival?

Are you over 18?

Are you over 21?

Do you have a talent such as singing, dancing or playing an instrument that you would be willing to demonstrate at public appearances? (These volunteers will not be paid.) If so, describe your skill here:

### Festival time only:

Are you interested in volunteering at next year's festival?

If yes, do you know what you would like to do?

You will be contacted in May to sign up for particular shifts to work at the fair. Separate applications for entertainers at the fair and for court members at the fair are due very early in the calendar year. Look for the applications on our web-site in the fall, and get them in on time!
